

DE FENCE DE ESCH

De Esch dreigt uit zijn isolement gehaald te worden. Het is voor ontwerpers en bestuurders te makkelijk om over programma in de stadsrand heen te tekenen.

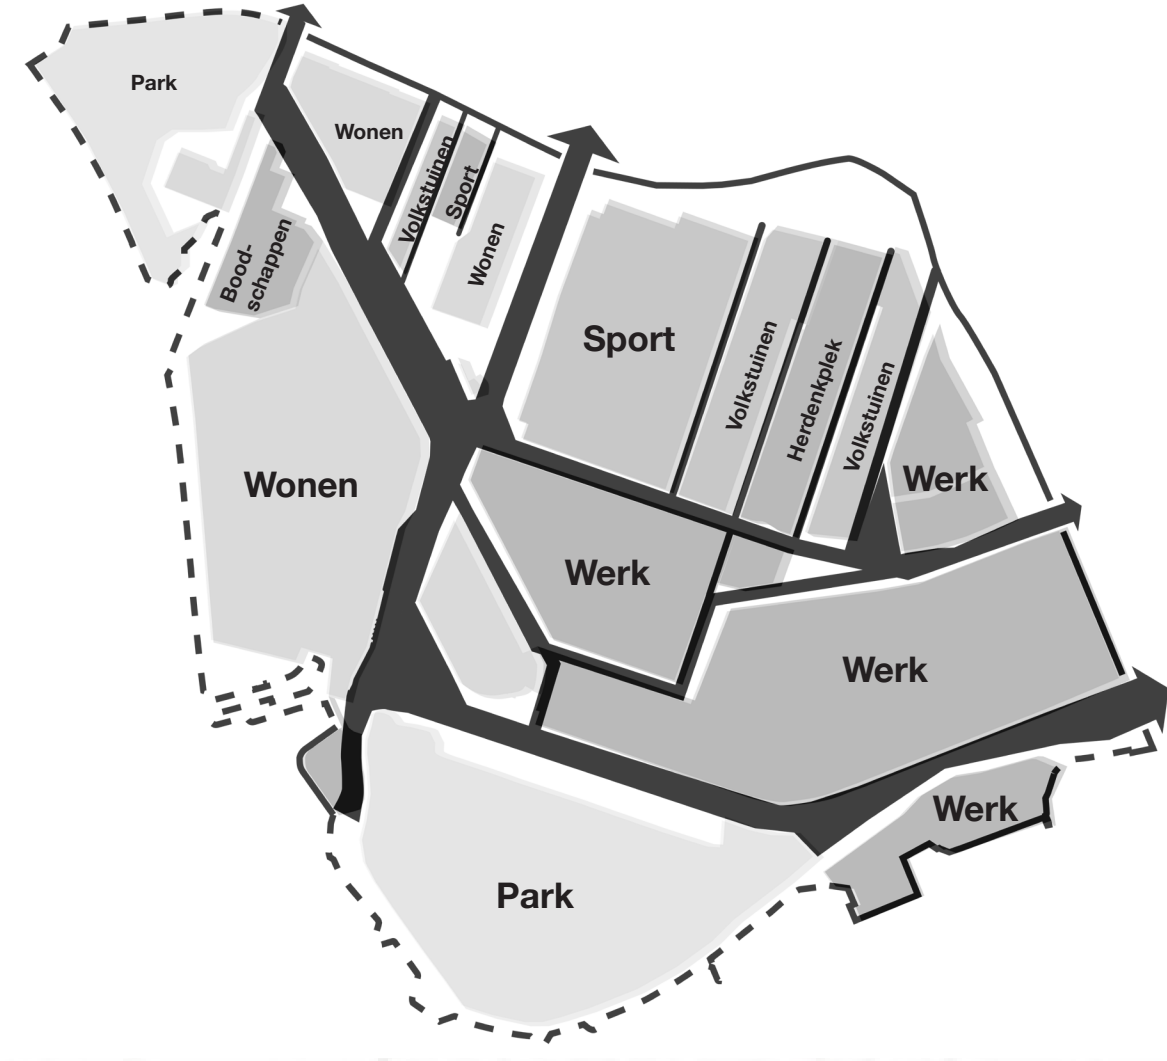

Hoe kunnen we dit unieke karakter beschermen?

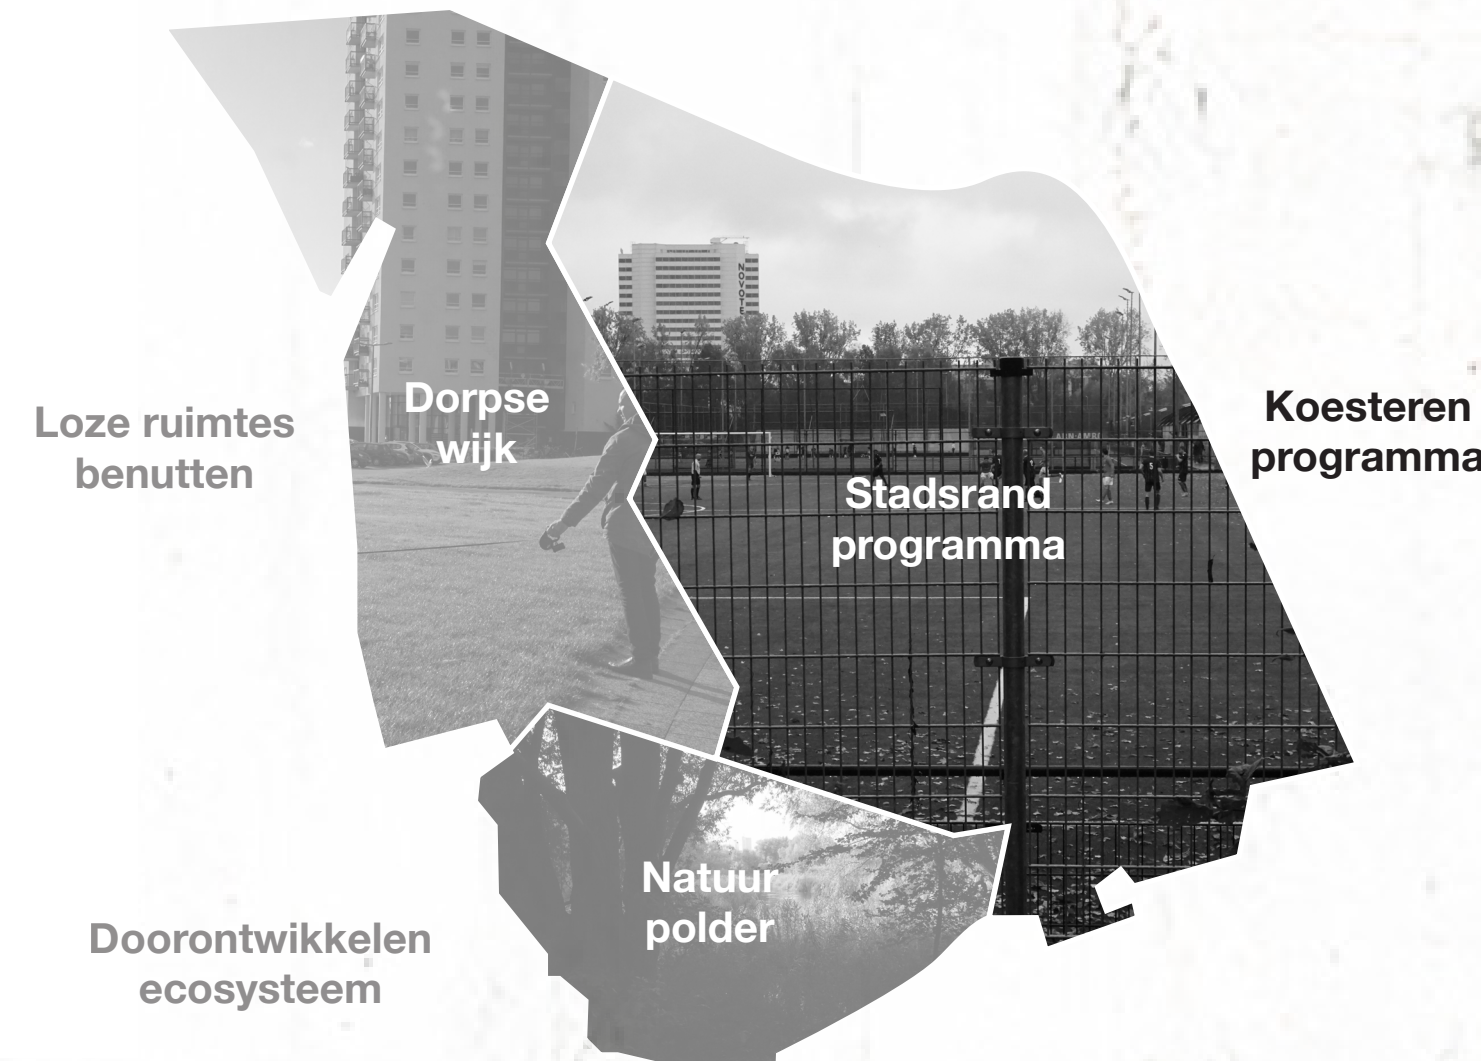

ANALYSE

Barrières vormen stadsrand De Esch

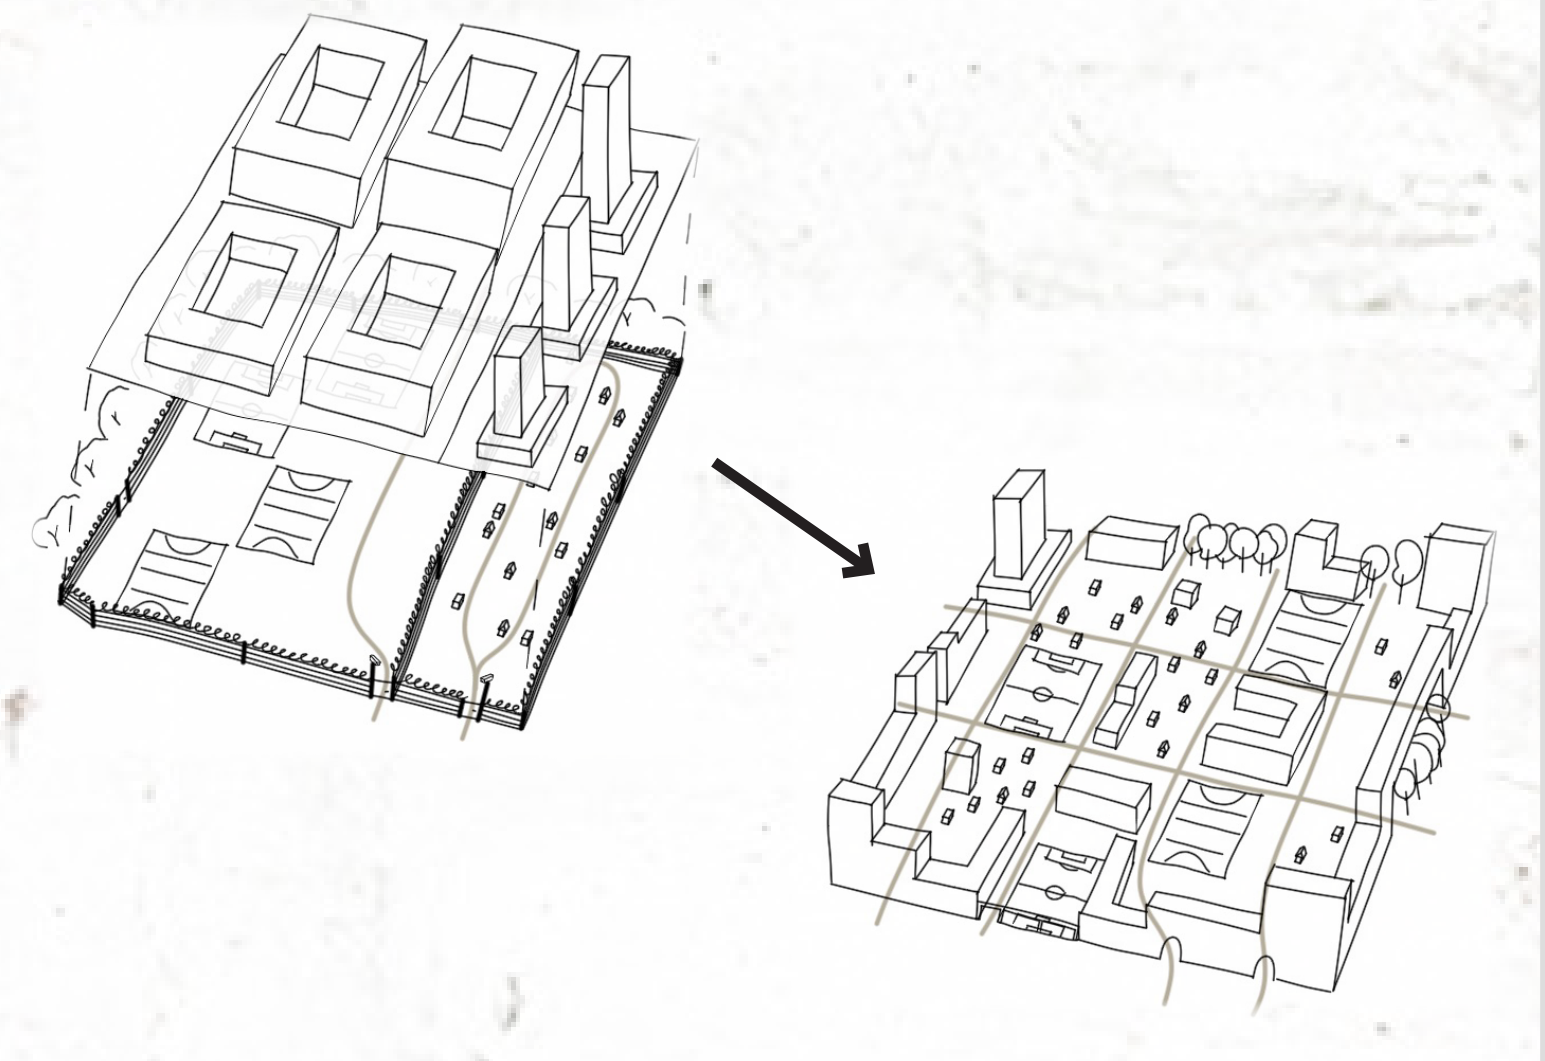

Interne grenzen maken stadsrand-eilanden

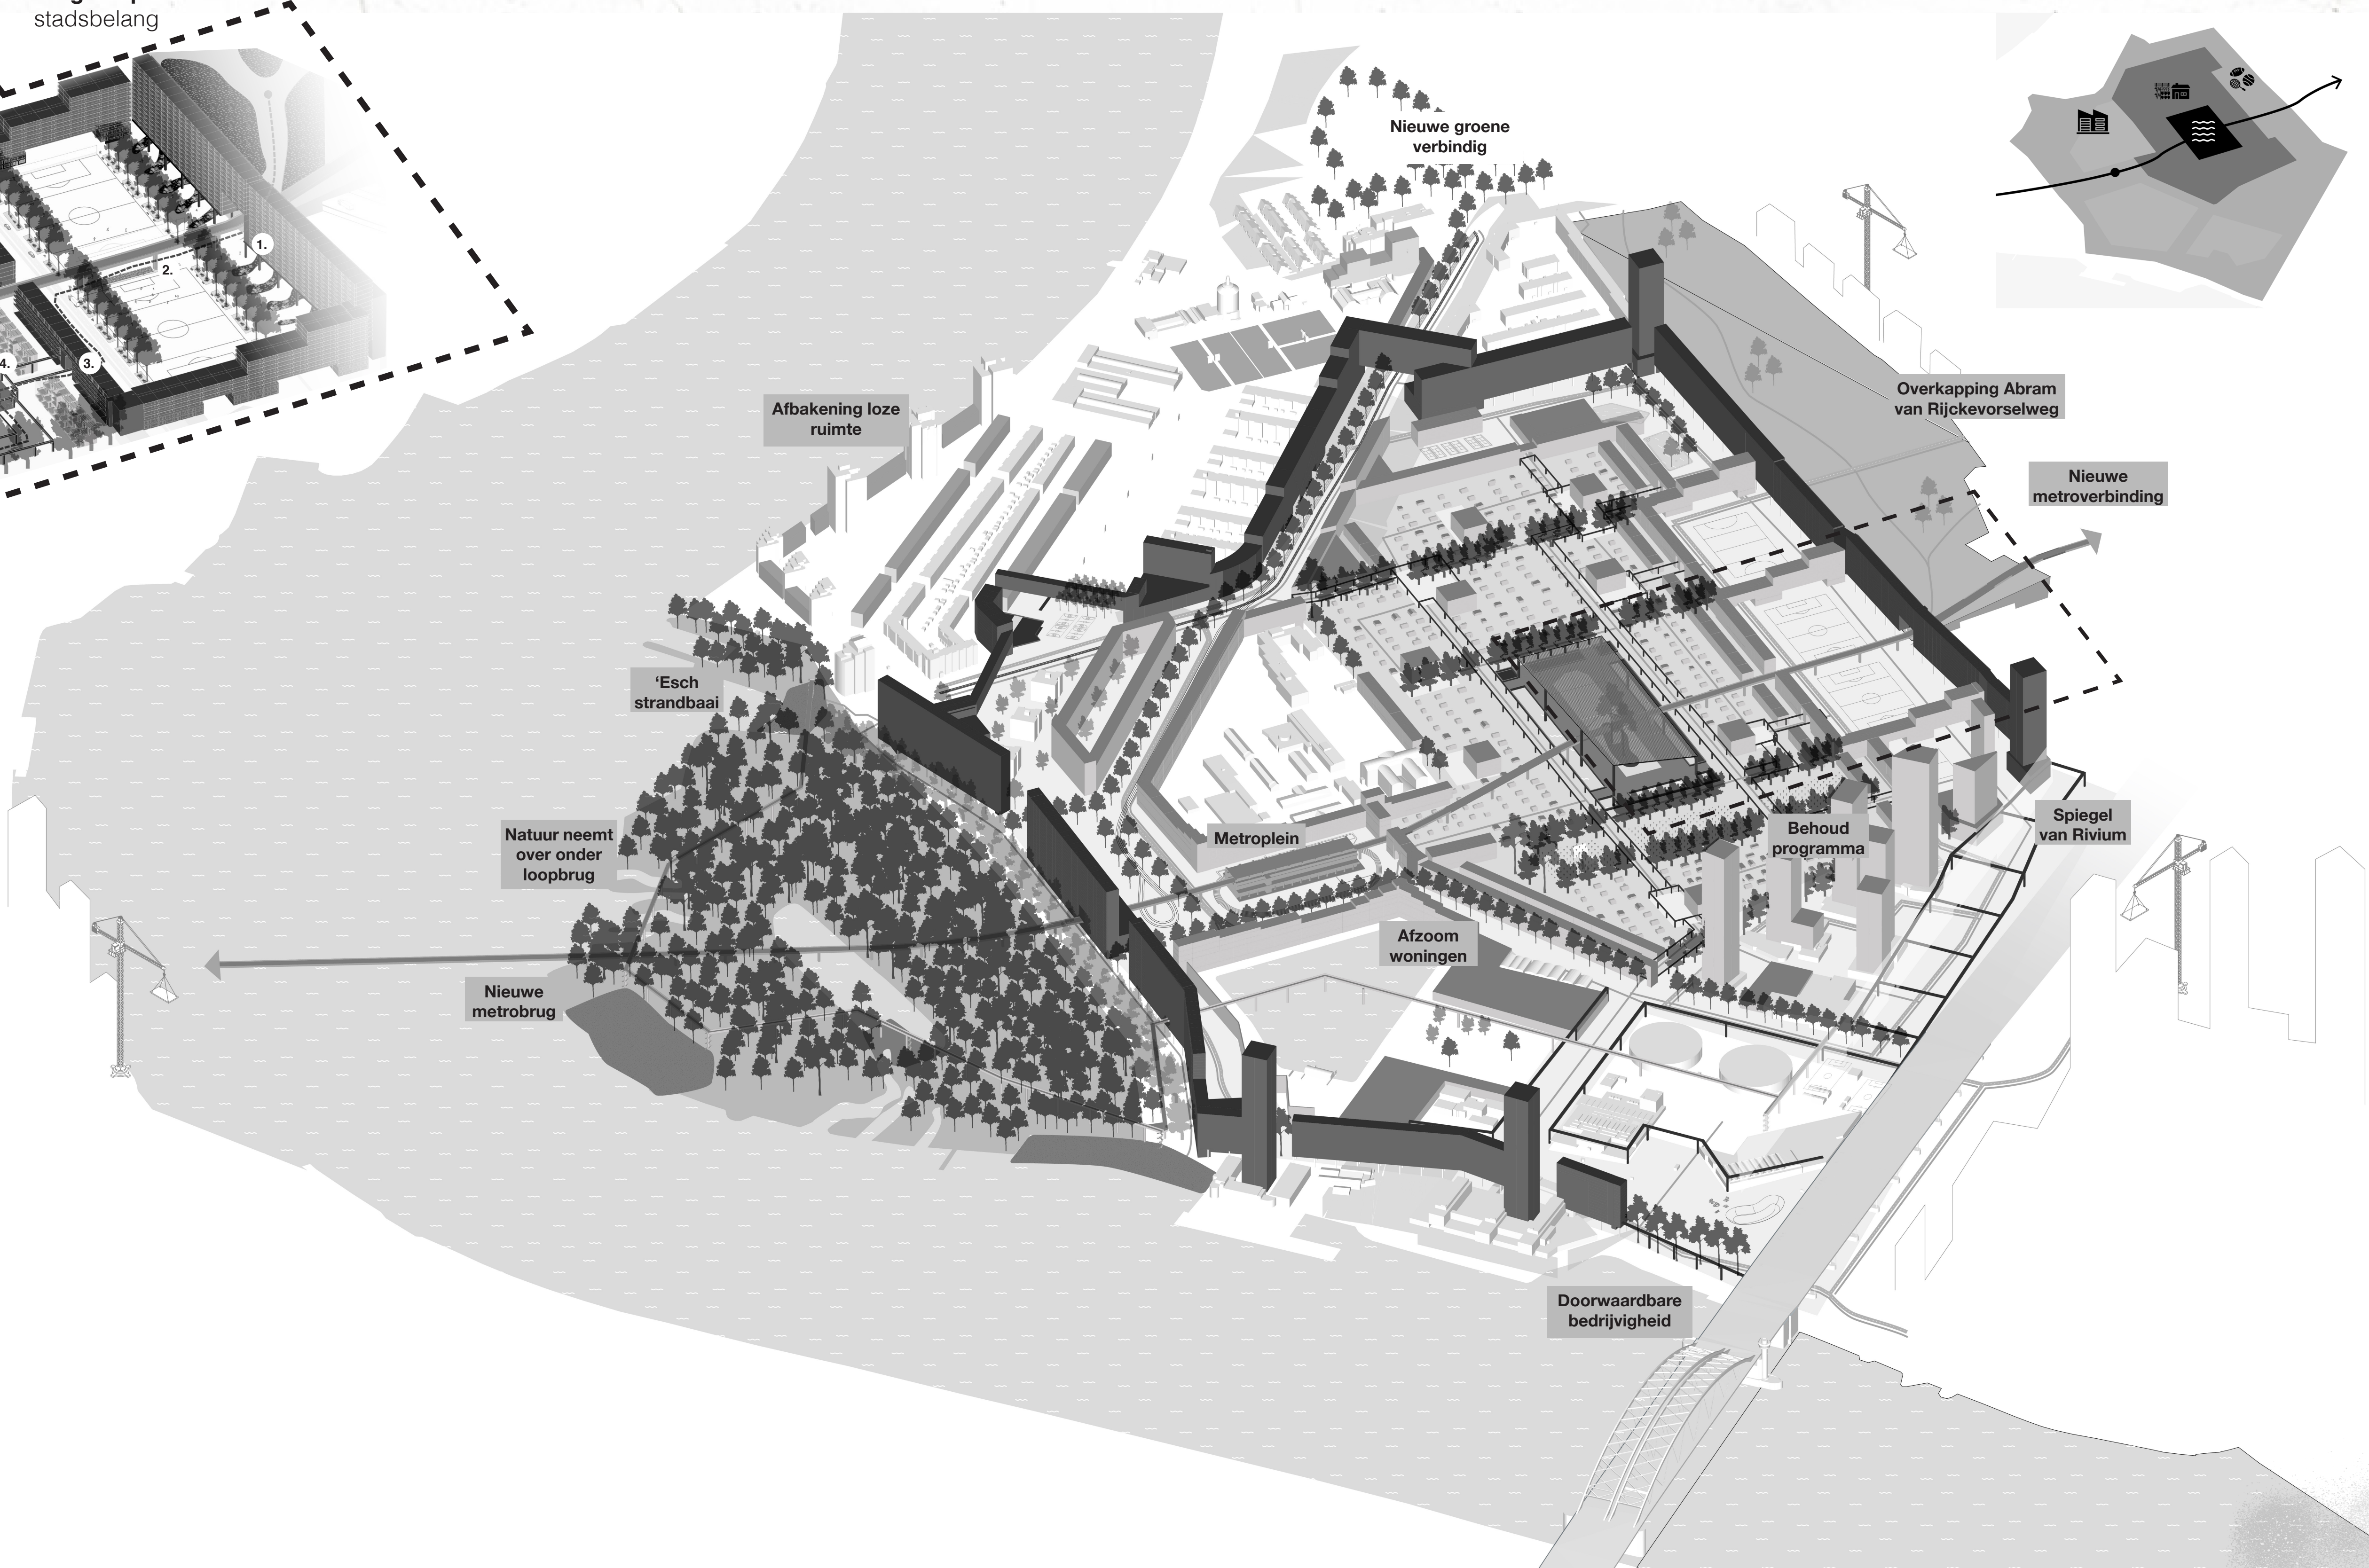

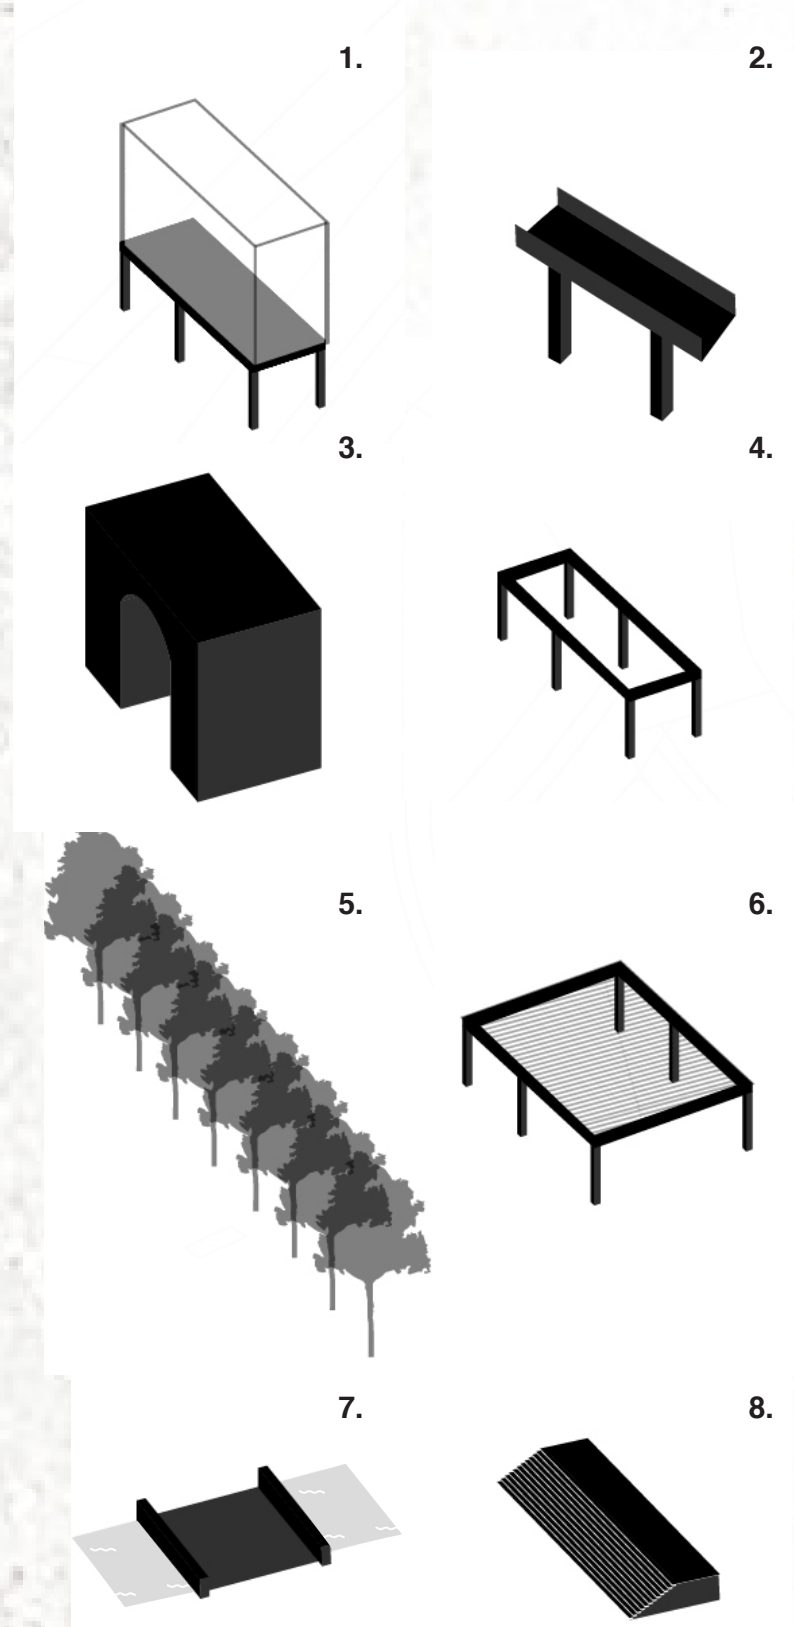

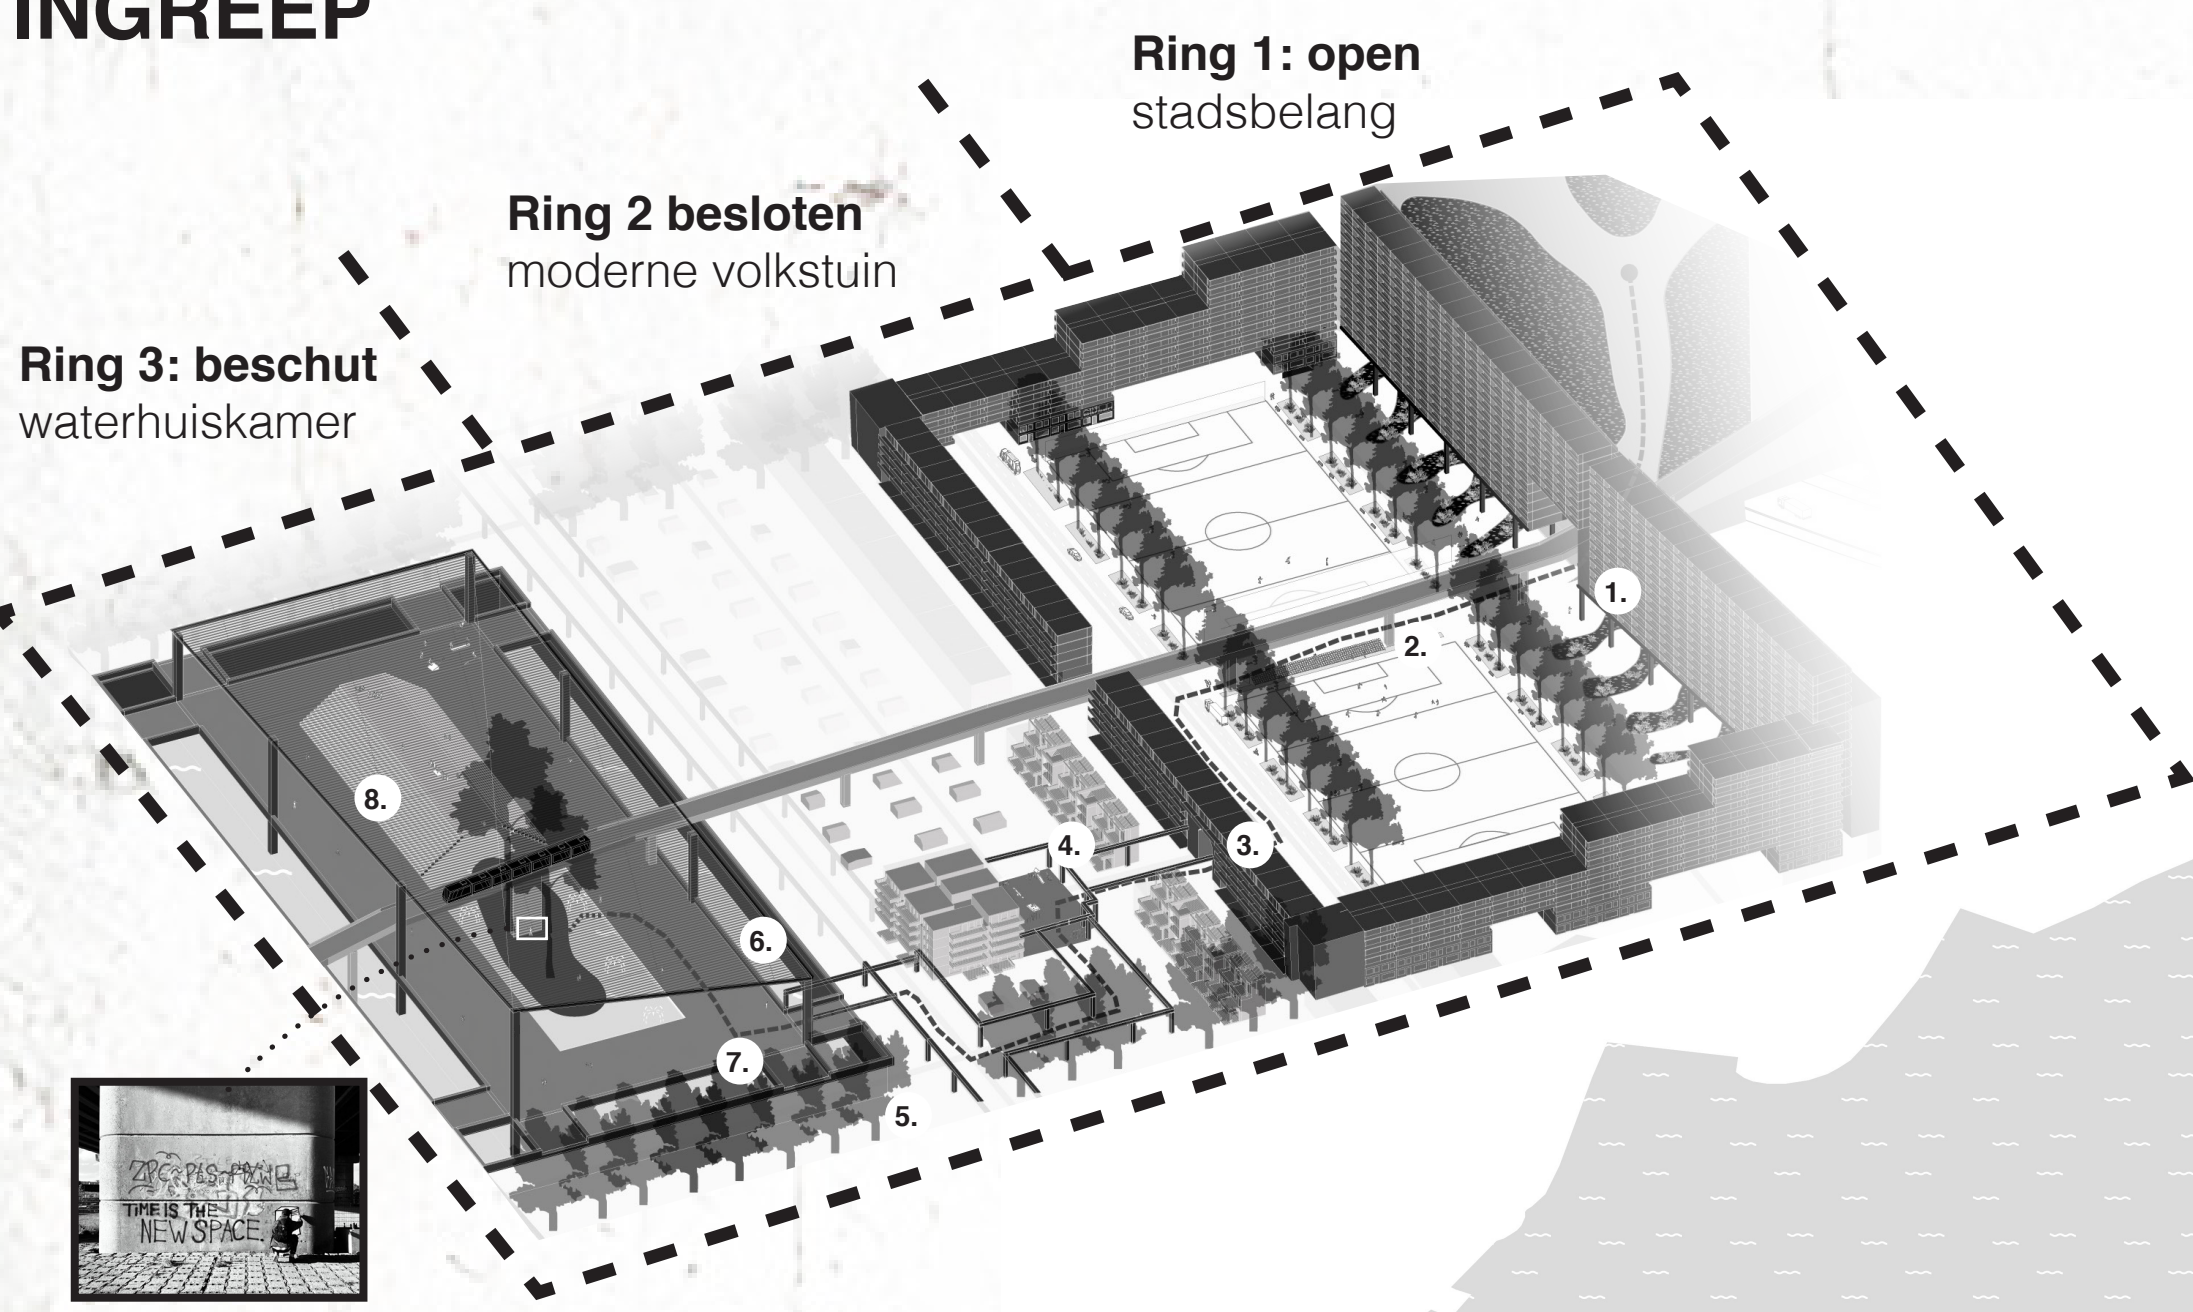

3 Deelgebieden met eigen karakters & opgaven

STRATEGIE: DE FENCE DE ESCH

1. Verdichting beschermt het stadsrand programma.
2. Vermenging door te 'onthekken' aan de binnenkant.
