

AXONOMETRIC OVERVIEW

BETWEEN LOVEN

SECURING LOVENS FUTURE, PROTECTING ITS IDENTITY

RESOURCES

THICKNESS

15M

COMMONS

LOVEN HAS LOST KEY COMMON POOL RESOURCES LIKE A CHURCH, PARK, AND GRASSLAND.

TO ADDRESS THIS, A THREE DIMENSIONAL LAYERED BORDER IS PROPOSED. STRETCHING BETWEEN RESIDENTIAL AND INDUSTRIAL LOTS, IT SAFEGUARDS EXISTING COMMONS. PRESERVING THESE SPACES FOSTERS SECURITY, WELLBEING, AND OPPORTUNITIES.

THE WALL SERVES AS A PLATFORM FOR COMMUNITY ENGAGEMENT, ALLOWING TEMPORARY OWNERSHIP AND COLLABORATIVE PROBLEM SOLVING. BY EMPOWERING PEOPLE, THIS PLAN STRENGTHENS LOVENS IDENTITY AND PROPELS IT INTO A FUTURE OF SHARED PROSPERITY WITH UNLOCKED SPACE.

2023 VS 2050

EXISTING BUILDINGS, 15M HIGH INDUSTRY AND BORDER STRUCTURE

PERSPECTIVE

SPACE REGAINED BY PATHS ABOVE BUILDING HEIGHT

IMPACT

PROVIDING A SENSE OF SECURITY ELEVATING LOVENS BOUNDARIES, UNITY AND EMPOWERMENT

SECTION PATH STRUCTURE

1:100

A

DEFINING THE BORDER BETWEEN RESIDENTIAL AND INDUSTRY

SECTION VERTICAL FARMS
